GENERAL INFORMATION

THE PROPERTY

Having great kerb appeal is this impressive three-bedroom detached bungalow sitting in the heart of the village. This impeccably presented residence offers spacious accommodation, ideal for a downsizer or a family.

Having green heating options with solar panels and attractive underfloor heating throughout the property has late and airy accommodation with a lovely entrance area with wood effect flooring and windows to both front and side aspects; the area opens up into an impressive open plan living, dining kitchen area with the wood effect flooring continuing through. The kitchen area has an extensive range of base drawers and cupboards with oak worktops that incorporate a sink with an extendable hose tap. A contrasting large island has quartz worktops that extend to create a breakfast bar area, which is ideal for entertaining and inset with a Neff electric hob. There is a Neff single oven, Neff combination oven and Neff warming drawer, dishwasher, fridge and freezer. The kitchen area has large windows to the front and side aspects, offering lots of natural daylight to flood through. There is ample space for a sofa, table and chairs, and French doors with glazed side panels give access to the side terrace. Double doors from this area open into an ample cupboard space, currently fitted out as an office

area by the owners but could be used equally as a large boot room or children's toy cupboard. A further door leads off into the Lounge.

The Lounge again offers lovely light and airy accommodation with a front and rear aspect window and a long window to the side garden.

Back into the entrance hall area, an Indian-style slate floor leads to the bedroom wing with a door leading out to the rear patio garden. The first door opens into the guest cloakroom with a shower cubicle and another door from here into the guest bedroom with a window to the front.

The principal bedroom suite has stunning views over the garden and countryside beyond. The hallway gives access to an en suite shower room with a large walk-in shower and a range of vanity cupboards with fitted w.c. and granite tops over with a glass hand wash basin. The spacious bedroom has a cupboard housing the meters and a large window for enjoying the view. A further door opens into a walk-in wardrobe fitted with a range of hanging rails and shelving.

The third spacious bedroom also has views out to the rear over the garden and countryside from a full-length window and further window. The ensuite to this room is equipped with a shower bath, glazed screen waterfall taps, dual head shower, and a range of cupboards with granite tops and a marble-style hand wash basin.

Completing the accommodation is the Utility offering provision for a washing machine; the worktop is inset with a sink with a base cupboard below. Off the utility, a lobby leads down to the Double Garage, and another door leads into the guest bedroom.
